DAY 3 | 17 Aug, 2026

Sitka [B/L/D]

Sitka is a charming island community surrounded with stunning mountain and seaside panoramic views. The vast and rich wildlife boasts sightings of whales, brown bears, deers, sea otters, and various birds flock here. This destination offers superb fishing, and plentiful historical attractions.

DAY 4 | 18 Aug, 2026

Juneau - Endicott Arm & Dawes Glacier (Cruising) [B/L/D]

Juneau has been called "Alaska's peak experience,"

certainly due in part to its unparalleled glacier viewing from such places as Tracy Arm Fjord, the Juneau Icefields and Glacier Bay National Park. Kayak up one of the area's many protected waterways, go flightseeing, tour historic downtown or try your hand at panning for gold. The majestic Mendenhall Glacier lies nearly 12 miles outside Juneau, a trek worthwhile.

This is why visitors come to Alaska-to see glaciers as magnificent as Dawes-and getting there is half the excitement. From Stephens Passage, your ship will turn into the glacially carved fjord of Endicott Arm, the southern sister fjord to Tracy. However, Endicott is special. It's the fjord less travelled, and at its head, Dawes Glacier. But first, the 31-mile fjord. Sheer granite walls. Plunging waterfalls. Spruce and hemlock trees clinging to the steep sides. It is the definition of pristine. Look for "bergy bits," floating chunks of glacial ice, some looking more like sculptures, some with resting seals on top. Keep an eye open for bears, mountain goats and whales, too. As we approach the glacier, listen for thunderous cracks and have your camera ready. Dawes is an active tidewater glacier that recedes daily causing calving, where huge hunks of ice plunge into the sea. At 600 feet tall and a half-mile wide, this blue-hued, powerful glacier may be the highlight of your Alaska cruise.

DAY 5 | 19 Aug, 2026

Icy Strait Point, Alaska [B/L/D]

Venture "where the north wind doesn't blow." Known for this famous saying, Icy Strait Point is the ideal landing spot for adventurers seeking a new experience. Breathtaking and exciting, Icy Strait Point truly takes you where the wild things are. It's one of the few places in the world where wildlife outnumbers the human population. A trip here certainly satisfies your taste for adventure. Take a cruise from Icy Strait Point and enjoy Alaska's awe-inspiring scenery and the many excursion options that Norwegian Cruise Line has to offer.

DAY 6 | 20 Aug, 2026

Ketchikan (Ward Cove) [B/L/D]

Thanks to its abundant rainfall, Ketchikan is surrounded by some of the world's most lush wilderness. Its Tlingit

Indian name, Kach Khanna, means "spread wings of the eagle." Chances are you'll see one of these magnificent birds perched atop a Sitka tree during your Alaska cruise to Ketchikan (Ward Cove).

DAY 7 | 21 Aug, 2026

Victoria, British Columbia
(Canada) [B/L/D]

Roam the spacious lawns of stunning Butchart Gardens with its exotic flora, unusual topiary and exquisite fountains. Explore historic Bastion Square, the treasures of Chinatown and the many sights and sounds to be found along the boardwalk of the Inner Harbour.

DAY 8 | 22 Aug, 2026

Seattle - Departure [B/-/]

Arrive in Seattle and disembark after breakfast.
[Disembarkation starts at 6:00 AM]

Seattle sits on the slip of land between Puget Sound and Lake Washington, with the Olympic and Cascade Mountains serving as a dramatic backdrop for this oh-so cosmopolitan city. Soar up the futuristic Space Needle and experience the views atop this stunning landmark created for the 1962 World's Fair.

Make your way to Seattle airport for your return flight home.
