CAIRO (PYRAMIDS & SPHINX TOUR) [B/L/-]

Begin your day with a delightful buffet breakfast at the hotel and then embark on a full-day guided tour to explore one of the Seven Wonders of the World – the Great Pyramids of Giza. These pyramids, which include Cheops, Chephren, and Mycerinus, were once considered by the Greeks to be a marvel of the world. It is astonishing to learn that a single pyramid is constructed from 2.3 million blocks, each weighing around two and a half tons. The sheer enormity of this architectural wonder is enough to leave one in awe, a feeling that countless writers and artists have tried to capture throughout the centuries. The Cheops Pyramid is especially fascinating, as its interior burial chambers are open to the public for inspection.

Located close to the pyramids is the Great Sphinx of Giza, which dates back to the time of Chephren (2620 BC). This incredible statue, made from natural yellowish limestone and standing at a height of 65 feet and a length of 187 feet, is a unique combination of a pharaoh's head with a lion's body. After visiting the pyramids, you can take a quick trip to the papyrus institute or a perfume shop.

Lunch will be at a local restaurant, and after that, you

will be transported back to the hotel. The rest of the day is free for you to relax and unwind at your own pace.

Home to an extraordinary collection of ancient temples, statues, and sacred monuments, Karnak remains one of Egypt's most iconic archaeological treasures.

Around noon, you may have the rare opportunity to witness a remarkable celestial phenomenon — a total solar eclipse expected to be visible across Luxor and many parts of Egypt for several minutes. In ancient Egyptian belief, solar eclipses symbolized a cosmic conflict between Ra, the Sun God, and Thoth, the Moon God. Such events were deeply connected to royal ceremonies, religious rituals, astronomical studies, artistic expression, and the development of ancient calendars. Observing a total eclipse is an awe-inspiring experience, both rare and unforgettable.

Your day of sightseeing begins with a visit to the famous High Dam, one of Egypt's greatest modern engineering achievements, constructed to control the Nile's annual flooding and provide electricity across the country. From the dam, enjoy panoramic views of Lake Nasser, one of the world's largest man-made lakes.

Continue to the fascinating Unfinished Obelisk, located within Aswan's ancient granite quarries. This enormous monument, still attached to the bedrock, offers remarkable insight into the advanced stone-cutting techniques used by the ancient Egyptians and reveals how massive obelisks were carved and transported during the Pharaonic era.

Next, visit the enchanting Temple of Philae, dedicated primarily to the goddess Isis, along with Hathor and other deities of ancient Egypt. Beautifully situated on an island in the Nile and reached by boat, the temple is celebrated for its elegant columns, detailed carvings, and captivating setting surrounded by tranquil waters.

ASWAN - ABU SIMBEL- CAIRO
(BY FLIGHT) [B/-/-]

Early in the morning at approximately 4:00 AM, your tour manager will escort you from your hotel to board a modern air-conditioned coach for a shared excursion to the magnificent Temples of Abu Simbel. Built by the great Pharaoh Ramses II, the twin temples of Abu Simbel are regarded as some of the finest masterpieces of ancient Egyptian civilization, showcasing the power, artistry, and grandeur of the New Kingdom.

Threatened by rising waters following the construction of the Aswan High Dam, the temples were famously relocated through a remarkable joint preservation effort by the Egyptian government and UNESCO, ensuring the survival of these extraordinary monuments for future generations.

The temples are dedicated to the universal gods Ptah, Re-Her-Akhtey, Amun-Re, and to Ramses II himself. The larger temple, often referred to as the Sun Temple of Ramses II, stands as a symbol of royal power and divine connection. Nearby, the Temple of Queen Nefertari, also known as the Temple of Hathor, honors both the beloved queen and Hathor, the goddess associated with love, beauty, and motherhood. Together, the two temples beautifully symbolize the union of Ramses II, Nefertari, Hathor, and the Sun God.

The journey between Aswan and Abu Simbel takes approximately three and a half hours each way through the dramatic desert landscapes of southern Egypt. Following your visit, return to Aswan and transfer to the

airport for your flight back to Cairo. Upon arrival, you will be driven to your hotel for check-in and an overnight stay.

The rest of the evening is yours to enjoy at your leisure. You can choose to visit the Khan el Khalili bazaar, which is the perfect spot for some last-minute souvenir shopping.
