DAY 3 Cairo (Pyramids, Sphinx Tour & Egyptian Museum) [B/-/-]

Begin your day with a delightful buffet breakfast at the hotel and then embark on a full-day guided tour to explore one of the Seven Wonders of the world - the Great Pyramids of Giza. These pyramids, which include Cheops, Chephren, and Mycerinus, were once considered by the Greeks to be a marvel of the world. It is astonishing to learn that a single pyramid is constructed from 2.3 million blocks, each weighing around two and a half tons. The sheer enormity of this architectural wonder is enough to leave one in awe, a feeling that countless writers and artists have tried to capture throughout the centuries. The Cheops Pyramid is especially fascinating as its interior burial chambers are open to the public for inspection.

Located close to the Pyramids is the Great Sphinx of Giza, which dates back to the time of Chephren (2620 BC). This incredible statue, made from natural yellowish limestone and standing at a height of 65 feet and length of 187 feet, is a unique combination of a Pharaoh's head with a lion's body. After visiting the Pyramids, you can take a quick trip to the Papyrus Institute or a perfume shop.

Enjoy Lunch (own expense) at a local restaurant, and

after that, visit the Egyptian Museum, which features artifacts from the Pharaonic period. The museum displays a rare collection of 5000 years of art which is considered the largest and most precious collection of Egyptian art in the world. Over 250,000 genuine artifacts are presented, including an exhibit dedicated to Tutankhamun's collection of treasure, gold, and jewelry which was enclosed in his tomb for over 3,500 years before it was discovered in the 1920s when his tomb was discovered. After a memorable day discovering the city, you will be transported back to the hotel. The rest of the day is free for you to relax and unwind at your own pace.

The two massive temples in southern Egypt are part of a UNESCO World Heritage Site known as the "Nubian Monuments". These iconic temples were carved out of the mountainside in the 13th century BC, during the reign of Pharaoh Ramesses II. With the four gargantuan statues of Ramses guarding the Great Temple, carved directly out of the mountain on the west bank of the Nile, this is one of Egypt's most memorable sights. Please note this optional activity has a very early start (but it's totally worth it). The journey by land is 3 -4 hours each way, with an early departure from Aswan at 4 am

For those who choose to remain onboard, you can enjoy breakfast. Later cruise towards Kom Ombo. Upon reaching Kom Ombo, our guide will accompany you on a captivating expedition to witness the remarkable Kom Ombo Temple, an ancient edifice consecrated to two distinct deities: Sobek, the god associated with fertility and world creation, and Haeroris, also known as Horus the Elder.

After your guided tour concludes, you will reboard the ship, which will then embark on its journey to Edfu. En route, a satisfying lunch will be served. Following lunch, you will once again disembark with our tour guide, leading you to explore the Horus Temple, a remarkably preserved structure from the Ancient World.

Once your exploration of the temple concludes, you will

return to the Nile Goddess cruise ship. The ship will then navigate to Esna, where you will spend the night on the tranquil waters. Following dinner, the evening's entertainment will take the form of a lively Galabeya Party onboard.

In the afternoon, indulge in a refreshing session of afternoon tea, followed by an authentic Egyptian Belly Dance Show. Take pleasure in the performance and some leisure time before dinner, which will be served at the customary dining hour.
