YOKOHAMA - TOKYO
(DISEMBARKATION) [B/-/-]

Arrival: 08:00

Arrive in Yokohama, a major port city and gateway to Tokyo. Disembark after breakfast, meet your private guide, and start proceeding to Tokyo. Begin exploring Tokyo. First, you see from the outside the incredible Imperial Palace to get a taste of Japanese culture. Notably, the **Imperial Palace** has served as the residential place of successive Emperors since 1868. Then you have a visit to the **Tokyo Sky Tree**, a television broadcasting tower, and the tallest structure in Japan. Its observation decks offering spectacular views over Tokyo are the highlights of the tower. You

visit the deck located at a height of 350 meters (1148 feet), so make sure to have your camera and phone charged! After that, you will visit **Asakusa Temple**, the oldest temple in Tokyo, and learn the legend of how this temple was built. The temple is known to bring good luck in almost anything, so make sure to make a wish! Here, you can feel the traditional Japanese culture the moment you step onto the temple grounds. After the tour, you return to your hotel. The next stop on the itinerary is **Shibuya**, Tokyo's paradise for shoppers. Despite the abundance of stores, it's probably best known for its crosswalk. As soon as the traffic lights turn red, pedestrians are free to roam wherever they like. Moreover, it is a symbol of modern Japan and of Tokyo itself: action in all directions. People are constantly pouring across the street from all directions, three huge television screens mounted on the buildings flash all day, and the area is covered with lights. The intersection is a popular filming location for movies, and it has appeared in the films *Lost in Translation* and *The Fast and the Furious: Tokyo Drift*, as well as numerous music videos and newscasts. Hence, this is one of the things that travelers can experience only in Japan. Before leaving, take a moment to snap a photo with the beloved Hachiko

Statue, a tribute to Japan's most loyal dog and his touching story of devotion.

Before returning to your hotel, you explore Ginza, Japan's premier shopping, dining, and entertainment district, which has one of the most expensive real estate markets in all of Japan.
