After breakfast, we'll head to the train station to board a high-speed Shinkansen bound for Odawara. Feel the excitement as the bullet train whisks you across the countryside at speeds of up to 320 km/h (200 mph)—a quintessential experience of modern Japan.

Upon arrival at Odawara Station, you'll meet your guide and continue to your hotel in Hakone. From there, the day's exploration begins with a visit to the renowned Hakone Shrine. Be sure to have your cameras ready—this day promises stunning landscapes and iconic photo opportunities.

One of Japan's most recognizable scenes is the striking red torii gate of Hakone Shrine, appearing to float on

the waters of Lake Ashi with Mount Fuji towering in the background. Today, you'll have the chance to witness this breathtaking sight in person. Deeply rooted in Japanese history and tradition, Hakone Shrine has long been regarded as a spiritual place, with the surrounding mountains once believed to be the passageway for souls traveling to the afterlife. The shrine, founded over a century ago, was created by combining several sacred sites from the area and has played an important role in Japanese culture ever since.

Next, enjoy a scenic cruise on Lake Ashi, formed in the caldera of Mount Hakone after its last eruption 3,000 years ago. The tranquil waters, often reflecting the majestic Mount Fuji on clear days, make for a truly memorable and peaceful experience.

After your tour, you'll return to your hotel. In the evening, relax and rejuvenate in a traditional onsen (hot spring bath), followed by a delightful dinner served in the comfort of your accommodation.

Overnight in Hakone

DAY 7 | 25 May, 2026

You visit the deck located at the height of 350 meters (1148 feet), so make sure to have your camera and phone charged! After that, you will visit **Asakusa Temple**, the oldest temple in Tokyo, and learn the legend of how this temple was built. The temple is known to bring good luck in almost anything, so make sure to make a wish! Here you can feel the traditional Japanese culture the moment you step onto the temple grounds.
