DAY 5 | 18 Jun, 2027 Serengeti - Full day game drives [B/L/D]

The **Serengeti** is a breathtaking destination, renowned for its expansive grasslands that offer exceptional wildlife viewing opportunities. While it is home to a

diverse range of animals, it is most famous for the annual **Great Migration**, where large herds of wildebeests, zebras, and antelopes move in search of fresh grazing. The migration can be observed throughout the year; you just need to know where to look. Depending on your visit, you might witness one of the **Seven Wonders of the Natural World**.

This day is dedicated to game drives in the Serengeti, where you'll find an abundance of wildlife, including impalas, buffalos, crocodiles, and hippos. In addition to its stunning landscapes, there are also good chances of spotting predators such as lions, cheetahs, and leopards, making it a truly transformative experience. You can choose to embark on early morning and late afternoon game drives, returning to camp for lunch, or opt for a full-day game drive with a picnic lunch in the park.

For those seeking an extra adventure, there is an optional opportunity to partake in an early morning hot air balloon ride over the Serengeti, offering stunning landscapes and incredible wildlife views.

This tranquil experience offers breathtaking panoramic views and an unparalleled perspective on the animals.

Begin your day before dawn, departing from your Serengeti camp in the serene silence of the early morning. At the balloon launch site, your pilot will conduct a safety briefing as the crew prepares the balloon. Then, climb into the basket and get ready to ascend into the sky.

As the balloon rises, watch the horizon reveal itself, painted in stunning gold and pink hues by the rising sun. Your experienced pilot will skillfully navigate the African winds while pointing out wildlife beneath you.

After about an hour in the air, the basket will descend back to the Serengeti plains. Each flight is unique, with

landing points determined by the wind direction, adding to the adventure. Upon landing, celebrate with a glass of bubbly before being transported to a special breakfast location.

Savor a delicious breakfast served under an acacia tree in the heart of the Serengeti.
