DAY 4 LIMA - CUSCO - CHINCHERO VILLAGE - SACRED VALLEY [B/L/-]

Following a delicious breakfast, experience a seamless transfer from your hotel to Lima Airport for your flight to Cusco. Upon your arrival, a representative will be there to welcome you. We will continue our trip toward the Sacred Valley. At 17.4 miles (28 km) from Cusco, we will reach Chinchero village, situated at an altitude of 12,375 feet (3,772 meters) above sea level. Chinchero is renowned for its beautiful and high-quality textiles, and its Sunday fair, where locals dress in traditional colorful outfits and come from nearby villages to trade goods. We will explore the Chinchero archaeological complex and visit the weavers' workshop of Nilda Callañaupa. Twenty-eight years ago, Nilda united women who shared her passion for weaving, inspiring younger generations to reconnect with this ancestral art. Her project, which began in her yard, evolved into the Center for Traditional Textiles of Cusco in 1996, dedicated to preserving and commercializing exquisite textiles. Nilda Callañaupa herself will enrich our visit with her story. We will then stop for lunch at a restaurant along the way.

Evening spent at leisure.

Lunch will be served in the community.

Our journey continues to the Salt Pans of Maras. This still-operating salt mine, in use since Incan times, offers a striking contrast of the stark white salt pans against the green mountain slopes.

Finally, we will visit the archaeological site of Moray. This site, used as an agricultural testing ground, features a system of circular terraces that descend 490 feet (150 meters). It serves as a testament to the Incas' advanced agricultural techniques and their ability to create harmonious constructions with nature.
