## DAY 3 CAIRO (PYRAMIDS & SPHINX TOUR) [B/L/-]

Begin your day with a delightful buffet breakfast at the hotel and then embark on a full-day guided tour to explore one of the Seven Wonders of the World – the Great Pyramids of Giza. These pyramids, which include Cheops, Chephren, and Mycerinus, were once considered by the Greeks to be a marvel of the world. It is astonishing to learn that a single pyramid is constructed from 2.3 million blocks, each weighing around two and a half tons. The sheer enormity of this architectural wonder is enough to leave one in awe, a feeling that countless writers and artists have tried to capture throughout the centuries. The Cheops Pyramid is especially fascinating, as its interior burial chambers are open to the public for inspection.

Located close to the pyramids is the Great Sphinx of Giza, which dates back to the time of Chephren (2620 BC). This incredible statue, made from natural yellowish limestone and standing at a height of 65 feet and a length of 187 feet, is a unique combination of a pharaoh's head with a lion's body. After visiting the pyramids, you can take a quick trip to the papyrus institute or a perfume shop.

Lunch will be at a local restaurant, and after that, you

will be transported back to the hotel. The rest of the day is free for you to relax and unwind at your own pace.

After that, you will board a motorboat and sail on the Nile to reach the Temple of Philae. This temple, dedicated to the goddess Isis, was constructed during the Graeco-Roman period.
