## OVERVIEW

Experience the dramatic beauty and rich heritage of Iceland on this immersive 10-day journey from Reykjavik through the country's most spectacular landscapes. Continue through historic Borgarfjörður, visiting the Settlement Center, Reykholt, Hraunfossar, Barnafossar and Deildartunguhver, before exploring Iceland's famous Golden Circle with Thingvellir National Park, Gullfoss and the Geysir geothermal area, along with a traditional hot spring bread tasting. The journey continues along the South Coast with visits to the Caves of Hella, Seljalandsfoss, Skogafoss and the vast Eldhraun lava fields, followed by the spectacular Jökulsárlón Glacier Lagoon, Diamond Beach and Skaftafell in Vatnajökull National Park. Conclude your Iceland adventure with scenic Reykjanes Peninsula sightseeing, including Strandarkirkja, Lake Kleifarvatn and its geothermal landscapes, followed by a relaxing Blue Lagoon Comfort Package before returning to Reykjavik.
